**Emerald Desert RV Resort – Virginia & Harvey Langham – Trail Bosses**

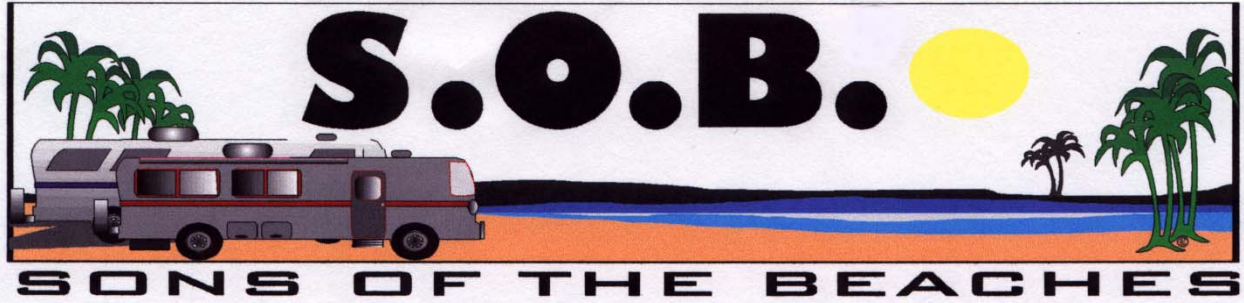

The SOB's had a busy, warm and relaxing May Campout at Emerald Desert RV Resort in Palm Desert. On Thursday we all drove into Palm Springs for dinner at Billy Reed's for an enjoyable meal together and meeting the owner, Billy Reed himself. Several campers went out to breakfast at Lulu's on Friday morning with Bev Finnel who stopped by the campground to say hello. Later, some campers went over to the CHEA Convention being held at the Westin in Rancho Mirage and attended a dinner with HB Lodge officers. Meanwhile back at the campground we had happy hour while our Trail Bosses, Virginia & Harvey Langham, were preparing the campers' dinner of hamburgers with all the trimmings, chili beans, chips and the "ultimate" chocolate brownies!

Our Saturday potluck breakfast included chorizo and eggs, potato casserole, scrambled eggs, sausage, fruit and many other goodies prepared by the campers as well as the usual breakfast beverages. Saturday activities included bean bag baseball, with team A the big winners! We welcomed some guests from our lodge: Dave and Ann Miller, Kate and Rick Bruce and Ron Sommese. They spent some time with the campers and both shared some ideas and suggestions for future lodge activities. After our happy hour our cooks presented Saturday dinner. Salad, pork tenderloin, mashed potatoes, gravy, vegetables, biscuits and ice cream sandwiches were enjoyed by all the campers thanks to the Trail Bosses.

Sunday morning after our continental breakfast and the meeting, we said our good-byes until our next campout.

We would love to have you join our camping club. Please feel free to contact me at any time.
